Joined in 2017, Fellowes Brands and ESI create a team of people dedicated to offering the best office products and contract office furniture. ESI customers will continue to experience ESI’s customer service and will now have the advantage of the expansive international equity and reach of the 100-year historic Fellowes brand. Together, we have a single goal, to help professionals to be the best they can be. More productive. More efficient. Happier. Healthier.

Fellowes’ vision of providing the best and most innovative wellness products for the workplace was expanded through ESI’s broad portfolio of work gear for enhancing worker comfort, productivity, and wellness in the contract furniture market. Fellowes’ award-winning design and engineering team, builds on ESI’s successful capabilities, creating the opportunity for greater innovation and a diverse and versatile product portfolio.

The combined strength of ESI and Fellowes Brands also comes from an alignment of consistent company values and the shared experience of being family businesses. Fellowes’ core values are steeped in the character of the company’s founder, Harry Fellowes, who established a value-based culture at Fellowes in 1917.

Our organizations have united our entrepreneurial spirits with a singular focus—to bring superior quality, performance, and exceptional customer experience for professionals worldwide. With a diverse range of products from Fellowes’ business machines, storage solutions, and air treatment technology—and ESI’s contract office furniture and work gear, our focus continues to make professionals more productive and enable them to dominate their day.
Who we are

At ESI, we design products for the movers and shakers of this world—work gear that keeps you active, healthy, focused, productive, and engaged, every single day. The pace of business is faster than ever, but we’re here to propel you forward at work, at home, and in between.

Geared for today’s fast-paced lifestyle, our extensive catalog of work gear will empower you to be energized and productive.
Our corporate commitment to our community drives us to give our time, talent, and resources to those in need. Each year, ESI supports a variety of local philanthropic activities with product donations, financial gifts, and company-wide volunteer efforts. When we all lend a hand, we create momentum to make our community a better place.

As a Fellowes brand, ESI supports community and culture through philanthropy. Fellowes Brands has established the GIVE™ program, which is dedicated
to building local and global partnerships which address humanity’s greatest needs. The programs’ guiding principles align with our strong values as a company and are the hearts of our people. GIVE is committed to supporting initiatives in four key areas: social services, world aid and development, education and cancer research. We are honored to work as a team in building strong communities, improving lives, and providing a better tomorrow for our world today.

Sustainability

Sustain and strengthen our environment with ESI. Our company is dedicated to selecting products and adopting forward-thinking procedures that support sustainability. We consider people and our planet with everything we do—from selecting product materials, to recycling programs and our facility operations. When you choose ESI, you are choosing to support our proactive approach to creating quality work gear that also works for the environment.

Spare parts recycling
ESI’s Edge and Evolve series of monitor arms are shipped with both a desk clamp and grommet mount included—making them simple to order and install. After the installation is complete, the unused desk clamp or grommet mount can be sent back to ESI at no cost to you. ESI will then properly dispose of or recycle the parts as appropriate. Our Spare Parts Recycling Program prevents leftover parts from taking up space in your facility or in a landfill. Contact our Customer Service Department to participate.

LEVEL certification
LEVEL was created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. To put it simply, LEVEL is to commercial furniture as LEED is to buildings. Also like LEED, LEVEL is comprehensive. It addresses criteria across corporate, facility and product impacts in a way that few other certifications do. If you see a level certified product, you can be assured that every part of the process from manufacture to delivery has been tested to ensure that you are getting quality products made safely and ethically, with a minimal environmental footprint.

Award-winning service
Our customer obsessive, award-winning team is on call to assist you with all your work gear needs. We are ready to answer your questions or recommend products that help you achieve your best.

48 hour shipping
We can fulfill orders in as little as 48 hours based on product on-hand availability. We do this by maintaining high levels of our most popular products so you can meet ambitious deadlines and schedules. Our exceptional fulfillment service ensures you get the products you want, when you want them. Unless otherwise specified, most of ESI’s products ship within two business days after your order is placed and acknowledged.

Lead time
The LT product marker indicates that the lead time may vary depending on quantities ordered and their availability. Please contact our Customer Service Department for on-hand inventory when placing orders for products marked with LT. Purchase Orders that include LT designated products will be shipped based on the lead time of the LT designated products. Split shipments are available for orders that include both LT and non-LT products.

15 year warranty
The majority of our work gear is backed by an industry-leading 15 year product warranty – giving you confidence to take on your work, your way. View our full warranty policy at esiergo.com or contact our Customer Service Department for more information.

Reserved inventory
Our team is focused on helping you execute large projects on time. We offer a Reserved Inventory Program for projects totaling at least $15,000 net. Find out how the program can help make your project a success by contacting our Customer Service Department.

General information
All prices in the catalog are effective July 1, 2019, and are list price in U.S. Dollars. All measurements are accurate within 0.25”. Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI’s products.
Monitor arms

Set your screens for success

Adaptable for any workspace, flexible monitor arms can optimize your desk space and increase your productivity. Easily adjust up to six monitors to maximize comfort and efficiency. Configurations grow with you, so your monitors will keep pace with your creativity.
What to consider when selecting a monitor arm

Number of monitors
ESI offers solutions for as few as one to as many as six monitors. Should the needs of the user change, the Evolve series can easily be modified in the field to accommodate additional monitors and changing work environments.

Height adjustment
Monitor arms offer various types of height adjustability. The most user-friendly option is dynamic height adjustment which allows the user to adjust the monitor height quickly and easily with just the touch of a finger.

Weight of monitor(s)
ESI’s standard monitor arms in the Eppa/Edge/Evolve Series support the average monitor weights between 6 to 17 pounds. For heavier monitors, the Edge-Max will support 17 to 32 pounds, and the Kata supports 4 to 20 pounds.

Size of monitor(s)
Most users prefer to have their monitors side-by-side as close as possible with no gaps between them. The versatility of ESI monitor arms allows multiple wide monitors to fit side-by-side. Max width is contingent on the monitor meeting the weight capacity of the arms. Configurations that include a slider will provide additional horizontal adjustability, allowing monitors of varying sizes to fit together seamlessly.

Size and shape of the worksurface
Shallow worksurface depths of 24 inches or less, are best suited for monitor arm configurations with fewer limbs or the Evolve slider. For applications that require extended reach, ESI recommends an Evolve configuration with multiple limbs. When positioning two or more monitors side-by-side in a 90° corner, the maximum monitor size will be reduced. Please contact our Customer Service Department to discuss your specific applications and requirements.

Monitor arms

Evolve series
Evolve motion arms
Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

Evolve fixed arms
Evolve configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Flexible growth
Because the Evolve is pole mounted, arms can be added as needed to support additional monitors.

BIFMA
Exceeds BIFMA x5.5 requirements

Evolve6

Evolve motion arms
Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease

Evolve fixed arms
Evolve configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments

Slider mount
Position virtually any monitor side-by-side with a slider. The slider (S) offers nine inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush

30 inch pole
With additional monitors, a 30 inch pole accommodates the height growth of these configurations

BIFMA
Exceeds BIFMA x5.5 requirements

Worksurfaces Overview

How to order:
Worksurfaces have multiple part numbers based on worksurface dimensions.

There are 6 Thermally Fused Laminate (TFL) colors and 30 High Pressure Laminate (HPL) colors. See page 95 for more details.

Use the worksurface code with the two letter color code to complete your part number

Part number breakdown:

1. Pick your worksurface and size
   2R4224-TFL-WW

2. Pick your laminate finish
   2R4224-TFL-WW

General information

Worksurfaces
Worksurfaces can be sold separately or in combination with a table base.
Warranty: 5 yr.

Sizing
ESI worksurfaces are made to exact dimensions. If nominal sizing is needed, please specify when ordering. Standard thickness is 1.0”

Lead times
TFL Quick ship: 48 hours
TFL Standard: 2–3 weeks
HPL Standard: 2–3 weeks

Edge detail
Worksurfaces ship with standard square edge profile and coordinating 3mm edge band. Alternative edge detail options are available at additional cost.

Square edge  Knife edge

Laminate materials
Worksurfaces are available in select laminate options. ESI worksurfaces are either Thermally Fused Laminates or High Pressure Laminates. Please indicate laminate choice by adding the 2-letter code at the end of the worksurface model number.

Thermally Fused Laminates (TFL)
Worksurfaces consist of a single printed decor paper fused directly by heat and pressure to the core material of MDF or particle board.

TFL Benefits: Cost efficient, consistent and uniform, water resistant, scratch resistant

High Pressure Laminates (HPL)
Worksurfaces consist of a melamine treated printed decor paper fused to multiple sheets of kraft paper. Heat and pressure bond all the sheets together creating a flexible and durable piece of plastic type material which is then adhered to MDF or particle board.

HPL Benefits: Durable, versatile, stylish, heat resistant, water resistant, scratch resistant, impact resistant, hygienic qualities

Custom options
For more information on alternative worksurfaces shapes, thickness, edge details and laminate options, contact the Customer Service Department. Additional costs may apply.

Terms and conditions

For the most up-to-date product and ordering information, refer to the ESI website at esiergo.com.

Acceptance by Customer of delivery of products from ESI ("Products") constitutes acceptance by Customer of these terms and conditions ("Terms and Conditions"). Any additional or different terms proposed by Customer shall be deemed to have been objected to by ESI, shall be of no force or effect, and shall not be binding upon or enforceable against ESI. These Terms and Conditions constitute the entire agreement and understanding between the parties and supersede any and all prior agreements, understandings and communications with Customer, oral or written, relating to the Products. No course of dealing or course of performance, either prior to, during or after the delivery of the Products, shall be relevant or admissible by Customer to supplement, explain or vary these Terms and Conditions. The invalidity or unenforceability of any Terms and Conditions shall not affect the validity or enforceability of any other term or condition, and the remaining terms and conditions shall remain in full force and effect. No waiver, amendment or modification of these Terms and Conditions shall be binding upon or enforceable against Seller until approved in writing by an ESI Authorized Signatory.

Government Terms and Conditions vary from these Terms and Conditions. Contact our Customer Service Department or visit esiergo.com for terms applicable to government purchases.

Discontinued products
Due to changing market demands, ESI periodically may discontinue certain products. ESI reserves the right to change and/or discontinue products at any time without notice.

Payment and credit terms
To establish an account, Customer must complete and submit ESI’s New Account Application (signed by company officer), Federal Taxpayer ID (Form W-9) and State Resale Certificate. Once credit is approved, payment terms are net 30 days. Prior to Customer’s credit approval (with receipt of required documents), prepayment of orders may be made by corporate check, or for convenience, credit cards (Visa, Mastercard and American Express) are accepted.

Past Due Accounts: Open orders or pending shipments will be held until the account is brought current. ESI reserves the right to amend account terms, at any time, based on account history. Contact ESI’s Accounting Department for details.

Deposits: Subject to sales, credit history, and credit lines, a deposit may be required to process large orders.

Purchase order submission
Purchase Orders (POs) should be submitted via e-mail to orders@esiergo.com. POs should include "Ship To" and "Bill To" information along with complete ESI product model numbers and Customer cost. Government orders require a copy of the agency PO at the time the order is placed with ESI. All POs shall be subject to written acceptance by an authorized representative of ESI. Incomplete POs or changes will delay processing and shipment until receipt of all necessary information and ESI’s issuance of revised Sales Order Acknowledgment.

Order changes or cancellations
All Customer cancellations and changes must be submitted to ESI in writing to orders@esiergo.com. Order changes include the addition/deletion of line items or changes in quantity or requested Ship Date or Ship To address. Order changes that result in a quantity reduction may be subject to an adjustment in pricing. Change or cancellation requests are not considered accepted until ESI provides a revised Sales Order Acknowledgment. Changes may result in processing delays or shipping delays. Under no circumstances will changes or cancellations be accepted on any special order, custom product, or worksurface order without the express written consent of ESI. All such custom and special orders are non-returnable.

Taxes
ESI is not responsible for the collection of sales tax on products sold to dealers. Dealers must provide Federal Taxpayer ID (Form W-9) and State Resale Certificate to establish an account with ESI. Dealers are responsible for any sales or use taxes assessed if dealer requests that ESI drop-ship direct to dealer’s customer.

Pricing and specifications
ESI reserves the right to revise all pricing, discounts, and freight terms, at any time, without notice. Current product pricing is included on product pages at esiergo.com. Prices which are in effect at the time of order shall apply. All prices shown are list price. All prices in the catalog are effective July 1, 2019, and are list price. All measurements are accurate within 0.25”. Visit ESI’s website esiergo.com for the most up-to-date product and ordering information, as well as additional specs, dimensional drawings, alternative images and more resources. All prices shown are in U.S. dollars. Contact our Customer Service Department for a current Canadian Foreign Exchange Conversion Rate.
Shipping

**48 hour ship program**

ESI offers 48 hour shipping on the majority of products. Unless otherwise requested, these products are shipped from Phoenix, Arizona, within two business days of receiving the PO, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as "LT" (lead time) and therefore not included in the 48 hour ship program. Large orders may also require additional lead time. Products designated as LT could take up to 90 days ARO for delivery. Call for on-hand availability.

Please note:

1. For the order to qualify for 48 hour shipping, all products on the PO must be available under the 48 hour ship program.
2. POs that include LT designated products will be shipped based on the lead time of the LT designated products unless otherwise requested.
3. 48 hour orders will be shipped out within two business days unless otherwise specified on the PO.

**Freight terms**

ESI ships orders by way of standard ground carrier service dock-to-dock within the contiguous 48 states. Special requests such as “call before delivery”, “delivery lift gate required”, residential delivery, re-routed deliveries, or specific delivery date/time requests may be subject to additional charges or may not be available. Contact our Customer Service Department for expedited delivery requests or deliveries outside of the contiguous 48 states.

Customers will be charged additional fees for changes made to orders that have already departed the facility, resulting in re-delivery or re-consignment.

ESI accepts requests for expedited freight at the customer’s expense. Please contact our Customer Service Department at 800.833.3746 and provide your preferred carrier account number in which to charge the expedited freight.

Will call

ESI offers will call pickup at the Mesa, Arizona facility. Will call pickups are available Monday through Friday from 7am to 3pm. Requests for will call must be included in PO. Will call orders will be invoiced on the date requested for pickup.

**Handling & special services**

**Cutting fee** - A fee of $40 list will be assessed per unit for all custom cutting requests.

**Damage/shortage claims**

ESI packages products to reduce the risk of damage during shipment. ESI verifies order quantity and weight with the carrier before any shipments are made. When receiving an order, first confirm the quantity of cartons delivered with carrier’s quantity and inspect cartons for signs of damage. The customer must notify carrier of damages or shortages at the time of delivery, or claims will not be accepted. Do not sign for the shipment until it is verified. Signing a freight bill without any notation relieves the carrier of any responsibility and serves as your acknowledgment to ESI that shipment was received in full. Discrepancies or concealed damage found upon opening the shipment must be reported to ESI in writing within five (5) business days of delivery or Customer waives right to submit a claim. Damaged products must not be removed from point of delivery and must remain in original packaging for inspection by the carrier. ESI is not responsible for damage or discrepancies occurring after delivery. ESI reserves the right to request a return of damaged or defective products.

**Returns**

Contact ESI Customer Service by e-mail at customerservice@esiergo.com or phone 800.833.3746 to request a Return Authorization (RA) form. Please have the original PO number or ESI order number available. Request for product returns must be made to ESI within 60 days of the date shipped. Products, along with a copy of the RA, must be received at ESI’s Warehouse within 30 days of the date of the RA issuance.
to be eligible for credit. Products received after this date will not receive a credit. Custom products, products not listed in catalog or on esiergo.com, and worksurfaces are non-returnable. Package(s) should be sent to:

ESI
ATTN: Returns Department
4030 East Quenton Drive, Suite 101
Mesa, AZ 85215

- Products returned to ESI without having been issued an RA or those not meeting the return requirements will not be eligible for a credit.
- A re-stocking fee of 30% will apply to all non-warranty returns.
- To protect your return against loss, ESI recommends choosing a carrier that will provide tracking information and the ability to insure the shipment.
- Products which have been fully or partially assembled are not returnable for credit.
- Products must be returned in undamaged, re-sellable condition and in original packaging.
- Products should be carefully repacked to avoid damage during return shipping. Claims for product damaged on the return shipment are the responsibility of the Customer.
- The Customer is responsible for freight charges associated with returns.

Upon receipt, the product will be inspected to ensure it meets ESI’s return guidelines. Once approved, Customer’s account will be credited appropriately. No credit will be issued for unauthorized product returns or those not meeting return guidelines. Do not make any adjustments to your account until receipt of ESI Credit Memo. Costs associated with installation, return shipping, etc. of returned products will not be reimbursed. Please allow up to 30 days for returns processing.

**Warranty**

ESI grants a limited warranty to the end-users of its Products, the terms of which are included with each Product. Customer’s remedies set forth herein are exclusive and the liability of ESI with respect to the breach of the Agreement or these Terms and Conditions shall not exceed the price of the Product or part on which such liability is based. IN NO EVENT SHALL ESI BE LIABLE TO CUSTOMER FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, STATUTORY, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOSS OF USE, LOSS OF TIME, INCONVENIENCE, LOSS BUSINESS OPPORTUNITIES, DAMAGE TO GOOD WILL OR REPUTATION, OR LOSS OF DATA, ARISING OUT OF, OR AS A RESULT OF, THE SALE, DELIVERY, SERVICING, USE OR LOSS OF THE PRODUCTS SOLD HEREUNDER, REGARDLESS OF WHETHER SUCH LIABILITY IS BASED ON BREACH OF CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, AND EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR SUCH DAMAGES COULD HAVE BEEN REASONABLY FORESEEN. Correction of any nonconformity in the manner and for the period provided shall constitute complete fulfillment of all liabilities of ESI, with respect to or arising out of the Product furnished hereunder. No claim by Customer of any kind including, but not limited to, claims for indemnification, whether as to quality or amount of Product delivered or non-delivery, shall be greater in amount than the purchase price for the Products in respect of which damages are claimed.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, AND ESI MAKES NO OTHER WARRANTIES OR REPRESENTATIONS TO CUSTOMER OR ANY OTHER PERSON OF ANY KIND, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS, AND ESI SPECIFICALLY DISCLAIMS ALL IMPLIED REPRESENTATIONS, WARRANTIES OR CONDITIONS, WITHOUT LIMITATION, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, NON-INTERFERENCE, AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. PRODUCTS SOLD HEREUNDER ARE SOLD ONLY TO THE SPECIFICATIONS SPECIFICALLY SET FORTH BY ESI IN WRITING. ESI’S SOLE OBLIGATION FOR A REMEDY TO CUSTOMER SHALL BE REPAIR OR REPLACEMENT OF NON-CONFORMING PRODUCTS, AS SET FORTH ABOVE. CUSTOMER ASSUMES ALL RISK WHATSOEVER AS TO THE RESULT OF THE USE OF PRODUCTS PURCHASED, WHETHER USED ALONE OR IN COMBINATION WITH OTHER PRODUCTS OR SUBSTANCES.
All ESI products are covered under a 15 year warranty, except the components and products listed below:

10 years: Eppa™ series monitor arm
7 years: Electric table components and motors; Crank mechanisms; Counterbalance mechanisms; Railway™ series (electrical); Centro™
5 years: Laminated worksurfaces; S2S; Birdi™ foam and cylinder
3 years: Climb series, Birdi™ fabrics
2 years: Palm rests; Mouse pads
1 year: Pencil drawers; Fluorescent ballasts; LED transformers; FlexCharge™ series

Intellectual property
Customer acknowledges that ESI is the owner of intellectual property related to certain Products, including the registered trademarks and other trademarks (the "Marks") and proprietary designs and patterns, patents and/or pending patent applications, if any, used in connection with its Products (collectively, "Intellectual Property"). Customer shall not use the Marks or any part thereof as part of Customer’s name, nor register any name, including domain names, or mark confusingly similar to the Marks. Customer acknowledges that it is not being licensed any right or interest of any kind in the Marks and that Customer may not use same without the prior, written consent of ESI. ESI reserves the right to discontinue deliveries of any products, the manufacture, sale or use of which would, in ESI's opinion, infringe upon any U.S. patent, trademark or design now or hereinafter issued, registered, or existing and under which ESI is not licensed.

Relationship of parties
The relationship of the Parties hereto is that of vendor and purchaser. Nothing in these Terms and Conditions, and no course of dealing between the Parties, shall be construed to create any other type of relationship. Accordingly, Customer shall not be empowered to bind ESI in any way, to incur any liability or otherwise act on behalf of ESI.

Governing law
These Terms and Conditions shall be governed by the laws of the State of Illinois, without giving effect to the principles of conflicts of law of such state, and shall be binding upon the Parties hereto in the United States and worldwide.

ESI and Customer agree that any legal action arising out of or relating to this agreement or the transactions contemplated by this agreement shall be brought in either the United States District Court in and for the Eastern Division of the Northern District of Illinois or the Circuit Court in and for DuPage County, Illinois, and consents to personal jurisdiction of such courts over them in any such action. Customer waives any defense or inconvenient forum to the maintenance of any such action or proceeding so brought and waives any bond, surety, or other security that might be required of ESI.

Severability
If any clause or portion of these Terms and Conditions shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining clauses or portions shall remain in full force and effect.

Force majeure
Neither Party shall be liable hereunder for any failure or delay in the performance of its obligations under these Terms and Conditions, except for the payment of money, if such failure or delay is on account of causes beyond its control, including labor disputes, civil commotion, war, fires, floods, inclement weather, governmental regulations or controls, casualty, government authority, strikes, or acts of God, in which event the non-performing Party shall be excused from its obligations for the period of the delay and for a reasonable time thereafter. Each Party shall use reasonable efforts to notify the other Party of the occurrence of such an event within five (5) business days of its occurrence.
